

Ready To Print (Gut-Zum-Druck)

General Information

I haven't booked an advertisement.

You will find two different versions of your portrait – one on the left side, the other on the right side. Please check, whether you are satisfied with both versions. Your portrait might end up on either side in the final version.

I have booked an advertisement.

Your portrait will be on the left side and your advertisement on the page next to it. The rendering of the advertisement has to be confirmed by us. So in case you change your advertisement, you will have to wait for our confirmation to be able to see the updated portrait.

FAQ

Can I enable hyphenation („Silbentrennung“)?

Yes! There is a field denoted with „hyphenation“ in the „Edit Portrait“ form. You can choose between German or English or no hyphenation.

Can I change the language of the statistics?

No, the statistics is only available in German to make the fair guide more consistent.

What are these lines around the pages?

The lines indicate where the bleed („Anschnitt“) starts and will not appear in the final print.

Can I replace/add/cancel my advertisement?

Yes! Below the “Edit Portrait” form you will find a section regarding the advertisement. Note that the price of your booking will be updated accordingly.

What is the format of the advertisement?

The advertisement will look best if you provide it as a A5 portrait („Hochformat“) PDF with 3mm bleed („Anschnitt“) of at least 600dpi.

My portrait/advertisement doesn't look as I want to.
